On Behalf Of: Mr Oregon OPPOSES SB 1003
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB1003
I OPPOSE [SB 1003 A]. The "Death with Dignity Act" is a modern day variant of "Aktion T4."

"The Death with Dignity Act" must require the dying person be informed Jesus Christ is the only begotten son of God the Father; what Jesus Christ's Death on the Cross and Resurrection has done for all of us including the dying person and a sincere recommendation to accept Jesus Christ as their Lord and Savior. At this point, the dying person having received Christ through baptism by an Ordained Minister of Jesus Christ, repentance of all earthly sins is highly recommended. Also, have the dying person utter, "Jesus save me."

As you can see acknowledging one's need for medical, spiritual, family comfort and God's Love is a better mode of dignity in death than State sponsored murder.

*** "The Death with Dignity Act" as set forth and incorporated into [SB 1003 A] should be banned outright no matter who does the killing and for any reason.
