

Submitter:	John Zielinski
On Behalf Of:	self
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB1153

Hello Senate Committee on Rules,

I oppose SB 1153 because it threatens the future of water use in Oregon agriculture by making it harder, slower, and more expensive for farmers and ranchers to move water where it's needed in a timely manner. The bill proposes sweeping changes to the water right transfer process—without a clear problem to solve and without meaningful input from the agricultural community.

I sincerely hope that you each vote NO on SB1153.
