

Submitter:

Michelle Cahoon

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1153

My husband and I strongly oppose, we are on a fixed income, this property was our retirement dream. With all the new taxes this State wants to impose, higher insurance rates because of the damn Fire Map and the higher power rates, this would force us to leave Oregon. You politicians need to keep your fingers out of the people's pockets!
