Senate Committee On Rules

Measure, Appointment or Topic:

SB1153

Dear Senator:

I am a constituent from Pendleton and I urge you to vote "Yea" and support SB 1153. Once passed, the bill will protect Oregon's aquatic ecosystem from a dangerous loophole in current water law. The waterways are a public value that needs to be protected for the public and not the benefit of an individual.

Thank you for reading this. I hope I can count on your supporting this bill.

Sincerely,
Paul Daniello
