SB1153

I am totally against this, and I don't know why you guys think you can make this decision for the rest of us without a vote. You're making all these rules and laws without even including all the people in Oregon. Our food prices are outrageous as it is and if this goes through, we're gonna go broke, trying to eat. You have better things to worry about instead of this. Leave us alone. Or at least put it to vote to the rest of the people not just you guys. You guys are supposed to be working for the people not just your agenda.
