

Submitter:

Shelby Staffenson

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1060

I oppose SB1060. The federal government already has transparency rules in place for hospitals and is working to identify additional meaningful price information that hospitals would be required to publicize. Oregon having its own requirements is burdensome for hospitals and will ultimately make healthcare more costly. Please vote NO on SB1060.
