SB1153

I oppose this bill. As a long time Oregonian of 70 years this bill is neither representative of the people of Oregon nor is it fair and just. Water rights have long been a part of our way of life and are historical. This is truly lawfare against the people of Oregon and is the opposite of the Oregonian farmers and ranchers. The people who provide the food we eat. This will harm many people and is way beyond government overreach. I OPPOSE this bill.
