Meleah Crookston

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1153

No. This is a violation. Nothing good will come of tracking and eventually regulating the water usage of private residents' private wells. We paid to have them drilled, maintained and also pay for the power to run them. We don't need bureaucrats poking their noses where they don't belong to try to tax us further while supply us nothing. Absolutely oppose!!!
