SB1153

I live in rural southern Oregon. I purchased water rights with my home/property as well as all equipment required for my domestic well. I pay for the power to pump water for my home, yard and garden.

I pay (dearly) for the maintenance of my well, pump and other parts of my water delivery system. I use my partly geothermal water for crop protection.

I pay my income taxes & property taxes on time & in full. I'm an Oregon native and a law abiding senior citizen.

I am asking the State of Oregon (and other entities) to leave me, my family, my water and my private, LEGALLY acquired property rights alone.
