

Submitter:

Sarah Andrews

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1154

Messing with people's water on their private property is unconstitutional.

Messing with people's lives and coming onto our private property is unconstitutional.

You will start a war in fact-you already have.

You'll keep your hands off of our water off of our domestic private Wells and off of our private property.
