TUMALO IRRIGATION DISTRICT

District Patrons,

If you agree with the District's opposition to SB 1153, please review the talking points below and provide additional testimony if possible. The deadline to provide testimony is this Thursday, June 5th at 11:59 p.m.

As you can see from the talking points below, SB 1153 will be overly cumbersome to our District and the improvements that we have been making in an effort to conserve water, and to improve water delivery to our patron's. On multiple occasions our patrons have asked how they can be more involved and make their voices heard. This is the time for that.

If anyone is interested in providing testimony about SB 1153, testimony can be uploaded to the Oregon legislature link ([OLIS](https://olis.leg.state.or.us)). Or you can email us a copy of your testimony, and we can upload it to the State system for you.

TID is submitting a letter to the Senate Rules Committee, which includes Chair Jama, Vice-Chair Bonham, Senator Golden, Senator Manning Jr., and Senator Thatcher. If you would like a copy of this letter, please let us know.
