You have to be kidding! My grandchild could have written a more intelligent bill! Do you really want the rest of taxpaying Oregonians to leave this state? Many of us have to work out of the area for greater than 6 months at a time occasionally, and your telling me you want to tax me outrageous property taxes, then charge me a fee because I have to work and give you taxes each year, and insult me with a fee on my own house!!

We will keep careful record of all legislators who vote for this bill and will share your record on "X" and other social media types.....so consider carefully how you want to vote on this ridiculous, NAZI-style bill.
