On Behalf Of:	Mr Oregon OPPOSES HB 2084
Committee:	House Committee On Revenue
Measure, Appointment or Topic:	HB2084

I OPPOSE [HB 2084].

[HB 2084] is a little economical as to the enforcement procedures and collection of monies owed to the state.

[HB 2084] requires the significant expansion of the Department of Revenue (DOR).

[HB 2084] has "No" budget allocation and or funding source(s) identified to support the DOR.

[HB 2084] is thus, incomplete as to resources required of (DOR's) expansionary needs, therefore [HB 2084] is incompetent, and should be rejected and denied (with extreme prejudice).

Mr. Oregon Concurs and says, "Good ideas but weak on processes and responsibilities-not to forget the lack of financial resources to do the work in the first place. "
