

Submitter: Seth Musgrove

On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: HB2050

I'm a retired active duty soldier who served 25 years in the Oregon National Guard, serving this great state and nation. I love Oregon for many reasons, to include growing up and serving in the state. Despite Oregon ranking one of the lowest in veteran tax and benefit friendly states, I chose to stay. Many others have not made the same decision. Rather, choosing to move out of the state upon their retirements to other states for the very reason this bill is trying to conquer. I ask you stand with our veterans and provide this benefit as continued gratitude for their service.
