Measure, Appointment or Topic: SB1095

It is none of the governments business what We The People do with our property. We are a free people and you work for us. Why don't you pass a law that removes you from office if you are late to a public meeting, term limits? Stay out of our business and stop trying to erode our freedom, property, gun and parental rights. Remember you are an employee of the people. You are there to serve us, not the other way around. I am opposed to this bill.
