On Behalf Of:	Mr Oregon SUPPORTS HB 2050
Committee:	House Committee On Revenue
Measure, Appointment or Topic:	HB2050

I SUPPORT [HB 2050 A].

I strongly support our Veterans!

In addition to tax-free pensions, consider 'No Income Tax' and some form of Property Tax exemption.

Why did it take the authors of [HB 2050 A] up to the [-9th] Amendment to include surviving spouses to be eligible for the pension deduction?

Mr. Oregon Concurs and says, "Thank-you Vets!"
