House Committee On Rules

Measure, Appointment or Topic:

SB238

I understand where drones are necessary in some circumstances but need a warrant and should continue to need one.

In lieu of everything the Trump administration is doing to turn our country into a dictatorship, it scares me very much to think law enforcement is going to take over and end our freedoms under orders of Trump. If the police, national guard, and the military take over, our democracy is over and everyone will suffer.
