SB1154

Chair & Committee Members,

I OPPOSE this bill. It is an extreme overreach of government. I have opposed this bill from the beginning. You have 10 pages of people opposing this bill. What does it take to get through to the legislators creating this extreme overreach and intrusive attack against rural Oregonians?

Water is life and without it there is no life. Giving government access to personal property without approval or a court order violates the people's constitutional rights. Legislators supporting this bill cannot possibly justify this bill.

Please vote NO and do not pass this bill.
