

Submitter: Ian Anderson

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: SB238

We should not live in a surveillance state, we are supposed to be a free country - and we can't be free if our law enforcement agencies can spy on us like this bill would allow. Especially now, in a time of abusive overreach by federal agencies, we cannot hand them this sort of power if we want to actually have liberty and justice for all.
