

Submitter:	Billy Chatfield
On Behalf Of:	We the people
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB1154

1154 even with it 3 amendments is a bad bill and will cause devastating harm to Oregon farmers and ranchers. This bill misses the mark regarding funding, implementation and potential negative impact on our state water policy. This bill if passed gives the governor ultimate authority over Oregon DEQ. I vehemently oppose this bill and urge you to do the same.
