Measure, Appointment or Topic: SB1154

I oppose SB 1154 A .

Our farmers and ranchers know how to protect, clean, and preserve water on their lands. They have to because it is their livelihood! Nowhere does the Oregon Constitution say that legislators have the right to devalue property values by restricting drilling new wells, additional wells, and kicking our hard-working rural citizens off of their land.

This is just more land-grabbing and hand-tying by politicians who want to squeeze us for more taxes and make us eat bugs.

Just Stop It.

NO on SB 1154 A.

Thank you,
Jayne Simmons
