I'm honestly not even sure WHY we are even having to submit such obvious testimony in opposition of MORE taxes! This state is already taxing us to death! We simply can NOT afford to pay more taxes! YOU need to learn to balance the budget you have been given. We are already paying some of the highest gas prices, grocery prices, rent, mortgages, property taxes.....taxes for this, taxes for that, here a tax, there a tax.....SIMPLY PUT.....WE THE CITIZENS OF OREGON SO NOOOOOIOOI NEW TAXES, NO MORE TAXES!!!! ENOUGH!!! Did I mention that I oppose any more taxes of any kind?!?!?! ENOUGH SAID!!!
