Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Within this bill includes a 37.5% increase to the gas tax, \$70+ to Title Fees, \$50+ to Registration Fees, 2% sales tax on new cars, 1% additional car sales tax, 0.2% increase to payroll taxes and a new per mile driven tax. This bill has been cloaked under the guise of a transportation audit. I oppose this bill.
