

Submitter: Matthew Kibbe

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Enough is enough. Stop killing Oregon slowly. Your tax proposals are killing Oregon business, driving people away, and stifling economic growth. Look at the states stats. It's clear Oregon continues its slide and you aren't getting the message. Do better and stop harnessing the citizens of Oregon with your tax proposals.
