

Submitter: Joyce Brenneman

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

This bill is insane!!! Oregon citizens struggle daily! As a retired person I am on a fixed income. My income will not go up because you decide you need more money. Don't follow California!!! I don't want to be part of the mess they created with high gas taxes. Also high DMV fees!!!
