

Submitter: George Botkin

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

It is unbelievable that in the economic climate you would even suggest tax increases. We have had numerous tax increases in the past and have had next to no results. It is time to hold the state accountable for our problems, not taxing more and more. The last years of your poor leadership has all but destroyed this state. Enough is enough!
