

Submitter: Jennifer Abercrombie  
On Behalf Of: All tax payers  
Committee: Joint Committee On Transportation Reinvestment  
Measure, Appointment or Topic: HB2025

No more taxes please! We can't afford this nonsense. I can not believe the smiling and greed in the answers to how much this will cost tax payers. No no no no more taxes! Use the funds that you have already taken away from our pockets and no more! Please vote no on HB 2025
