

Submitter: Jennifer Kamprath

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I STRONGLY oppose HB 2025. As a lifelong Oregonian is troubling to see the tax and spend mentality of Salem and government agencies. YOU politicians are taxing Oregonians out of the state. You are unaccountable for the waste and as you continue to run this state into the ground

I for one will be another taxpayer leaving this state if this bill passes
