

Submitter: Chip North

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB1154

Here we are again telling you that we do not want more government intrusion on our rights, liberty and freedom. No on this, no on any and all property rights you want to take away from us. No new regulations, no new taxes. Hey here's an idea, eliminate property taxes. Why don't you work on something that actually benefits We the People. You remember us, we are the Sovereign in this country. You work for us! Start acting like it.
