Measure, Appointment or Topic: HB2025

HB2025 is an assault on all Oregonians who already pay some of the highest taxes and fees in the country. Some years back Democrats forced a "privilege" tax on Oregonians and then lied saying car dealers would pay it. Not true. Now they want to increase that tax and add a 2% Sales Tax. Oregonians have repeatedly voted down sales taxes yet Democrats now use a back door. Democrats want to raise gas taxes and say oh gee it's lower than California. Well California is just another mismanaged failed blue state like Oregon.

Every week we read about another failed state agency. ODOT loses a billion dollars, ODOT failed projects cost Oregonians millions. Oregon agencies fail audits, Oregon s hooks some of the worst in the nation. Oregon's Governor rated in last places. Wake up.

And the best. Oregon spends \$1.5 Billion on health care for ILLEGALS and Oregon spends millions helping fight illegals deportation. What is wrong with Democrats. They are out of touch and out of control. This bill is a travesty and needs to be voted down.
