Measure, Appointment or Topic: HB2025

I oppose HB 2025, no more new taxes, families are struggling already to pay bills and put food on the table for their families, quit overspending and spending money on Bills HB243 and 3075 that do nothing. Our roads are great compared to other states, just maintain them and be accountable for what government is spending. You have enough money so let's spend it wisely just like families have too.
