Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1154

I oppose this legislation. Leave Oregon private well owners alone. There is too much governmental control in Oregon. Hoping Oregon government realizes that Oregonians have had enough of this government control and we are going to vote to put representatives in office who want to work our way back to Oregon 1970. We seniors have worked hard for decades to be responsible residents. We are fed up with the state of our beautiful Oregon.
