Measure, Appointment or Topic: HB2025

Improve health and safety by funding popular but underfunded programs like Safe Routes to School, Great Streets, and Oregon Community Paths. Save Oregonians money by expanding safe streets, public transit and passenger rail that helps us save on gas, parking, and car maintenance. We can't afford to leave people behind, especially rural families, youth, people with disabilities, and low-income Oregonians who already face the greatest barriers to mobility.
