

Submitter: DeAnna Cormany  
On Behalf Of: tax payers  
Committee: Joint Committee On Transportation Reinvestment  
Measure, Appointment or Topic: HB2025

This bill is NO good for Oregon Families. Stop taxing us to death, you work for the people and the people say NO! Make ODOT accountable, and use the money they have. Do NOT add taxes on us to pay for misuse of funds. Be accountable instead of stealing from Oregon's hard working people.
