Oregon Legislatures,

You must stop taxing Oregonians to death.

It is beyond time to become frugal and work with the funds you have. 132,000 families moved out of Oregon last year and now our senior citizens age 65 and older outnumber our youth under age 18. If you don't get out of your office and look around, that's a sign that Oregon is dying under the Democratic leadership. Stop taxing those of us left.
