Measure, Appointment or Topic: HB2025

On behalf of myself and our family - I write to you to express strong opposition to HB 2025. Your Democrat party has claimed to be for the working people, but nothing could be more from the truth. As working class Oregonians, we can't afford more taxes. We are already struggling to make ends meet. It is not uncommon to wait on new shoes or haircuts, as the cost of living in Oregon has increased much faster than anyone's take home pay. And now you propose to take more? One thing is for sure, people are waking up and will change how they vote. Please try to use all of the Billions of dollars you already have a bit more efficiently vs. taxing more.
thank you.
