

Submitter: David Horner

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

As a voting resident of Linn County, Oregon I'm writing to state that I strongly oppose HB 2025. There is no reason to strap Oregonians with more taxes and fees. The State is records record revenue yet wants even more? Time to balance budgets, spend wisely, and stop burdening the Citizens of Oregon with more fees and taxes nor real reform, accountability, or transparency.
