Committee:	Joint Committee On Tax Expenditures
Measure, Appointment or Topic:	SB120

As a union performer who has worked in Oregon on film & TV projects since 1981, I stand in support of increasing opportunities for both Actors and Crew by supporting incentives for those wishing to film in our beautiful State of Oregon. Estimates are clearly in support of a 17-1 return ratio on those dollars spent on incentives. Whether it's the Teamster drivers ferrying folks on set or hotel and restaurant boosts in traffic tied to shooting locally, alongside carpenters, wardrobe and set design..everybody wins! A clear boost to our local economy. YES to SB 120.
