

Submitter: Jean Glanz
On Behalf Of: Oregon Transit Association
Committee: Joint Committee On Transportation Reinvestment
Measure, Appointment or Topic: HB2025

I have used the services of Ride Connecton for about 8 years. This service has allowed me to schedule medical appointments and other meetings.

I use door to door and the Tualatin shuttle regularly several times a month. I can pick up prescriptions, groceries, visit library, bank, lunches and more. I have encouraged other Marquis cottage residents to us this service and have volunteered to accompany them.

The phone staff And drivers are outstanding.

The drivers are always watching out for us
