

Submitter: Connie Dunham

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I'm not in favor of any tax passed by the legislature without a vote of the people. We do not need more taxes! We need ODOT and other agencies to be more prudent about how they spend the money they currently have. You will force Oregonians to become members of another state. There are many options out there and we are losing our businesses too, because they aren't going to stay when they're being taxed out of business!
