Measure, Appointment or Topic: HB2025

The State of Oregon and the Department of Transportation must be held accountable! Taxes are too high already. Oregon has become inhospitable for business. It is becoming more un-affordable to those who want to live, work and raise families here! DO NOT add to the irresponsible taxation of your constituency! We cannot afford HB 2025! It seems everyone is on a limited income EXCEPT Oregon state agencies! We cannot afford additional taxes on fuel, higher prices on licenses or the other consequences of HB 2025 that actually hamper the wellbeing of Oregon citizens! Stop the nonsense! DO NOT support this bill!
