SB243

I strongly oppose gun owner entrapment bill SB 243.

Sounds almost like an ex post facto law. I resent being made an instant criminal for actions that were perfectly legal when I did them.

I am a law-abiding gun owner, having undergone multiple background checks over the years.

This is politically motivated harassment of lawful gun owners and will do nothing to make Oregon a safer place or to reduce the criminal misuse of firearms.

Listen to the weight of the Oppose testimony here and vote this bill down.
