

Submitter: Andy Hardwick

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I don't need to pay more taxes. I need legislators who are fiscally responsible, hold department heads responsible for their performance, and want to know what I think, what my priorities are, and that I actually vote. Just because you can, does not mean you should pass this Bill. It should go in the dumpster unless you can fix ODOT first. Then we won't need it.
