

Submitter: Dwight Sims

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Oregon taxes are already HIGH ENOUGH!

We simply cannot tolerate any more.

For those of us living in Wilsonville, there is the additional threat of tolling on the Boone Bridge, which would hit many residents TWICE, when visiting Wilsonville businesses from Charbonneau, or visiting Charbonneau from homes north of the bridge. Please vote NO! on this horrible HB2025 bill!
