

Submitter: Jeff Renard

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Opposed to SB 2025

I am in strong opposition to any new taxation of the citizens of Oregon. We have such a poor oversight and use of our present taxation. We need to prove our fiscal responsibility with what we have and possibly reduce the expense to our citizens.

Sincerely

Jeff & Kim Renard
