

Submitter: Wayne Scott  
On Behalf Of: HB2025  
Committee: Joint Committee On Transportation Reinvestment  
Measure, Appointment or Topic: HB2025

My name is Wayne Scott, I live in Canby

I am opposed to HB 2025. The proposed rate hikes in 2025 is a financial strain on me individually and all citizens in Oregon. This bill would charge excessive fees that Oregonians simply cannot afford. Gas tax , DMV fees are intended for road maintenance for the privilege of using the roads. To divert these excessive taxes to fund other projects are simply unacceptable.

In hard times, that we are experiencing is just PLAIN wrong. To further delete our spendable income is wrong. It is a very regressive tax. I urge you to NOT send this bill out of committee.
