Measure, Appointment or Topic: HB2025

My name is Jenny Backstrand and I live in Newberg, Oregon

Please vote NO to more taxes on gas, car registration fees, etc. We are already at our wits end with how much everything costs now. We can't afford things already! I just renewed my 26 year old car and it was \$211! That is ridiculous. Gas is already too high also. We see other states with prices in the \$2.50 a gallon, why is Oregon SO much more? Please do not pass more taxes on people who are already struggling to make ends meet.
