Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

This must not pass. Have you realized that 132,000 families moved out of Oregon last year?

Did you know that senior citizens age 65 and old now outnumber our youth under age 18?

Oregon is dying and every single tax you are shoving o onto the the rest of us will kill Oregon and there will be nothing left

Do not pass this !!!!
