Measure, Appointment or Topic: HB2025

My name is David W from Lake Oswego, Oregon. I'm strongly opposed to HB 2025. Raising gas taxes, registration fees, and licensing costs in the middle of a cost-of-living crisis is unacceptable. We've experienced 20% inflation since 2021. You need to stop spending and find ways to do more with less. That means cutting wasteful spending and repurposing those funds. This bill punishes working families just trying to get by. Enough is enough.
