Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I, Kirby Wallace, a life long resident of Oregon, strongly oppose your position to raise taxes on all forms of transportation to benefit the few. You can't even agree on a new bridge on I5 to Washington. There are bicycle lanes in front of my house and NOBODY uses them. Bicyclists prefer the traffic lanes and sidewalk instead. If you would ask for citizen involvement instead of your bait and switch tactics maybe we could make out state stand out from all the rest. We the citizens want to have honest and timely input on issues that affect us all. You do things behind our backs without our knowledge. Ask us for advice instead of telling us what YOU want US to do. We are not slaves and you are not our gods. If you pass these taxes alot of us will refuse to accept your terms and you will have to cheat to get yourselves reelected. Good day.
